

READY TO GET TASTING?

Swirl, Sniff, Sip

The ONEHOPE Tasting Flight

Bring the Napa Valley wine tasting experience to your home with our new tasting flights. Whether you're a virtual event host, event guest, or first-time customer, we've included enough wine in the tasting flight for two, so you can enjoy it with a friend! Sharing is very optional.

Try these four best-selling wines from the heart of Napa Valley, and you'll get a \$15 wine credit to use on a future purchase of four bottles or more!
