WELCOME TO

The Heart of Napa Valley

Like most stories worth telling, ours begins with a group of friends, humble beginnings, and a skyward vision. What started with 168 cases and a white pick-up has since grown to become a state-of-the-art flagship winery in the heart of Napa Valley.

Become a part of our impact-driven wine club and receive priority reservations to our winery along with exclusive access to in-person and virtual events. Experience new releases and incredible wine and food pairings from our talented culinary team as you share wine and give hope.

A beach scene with a black umbrella, a striped deck chair, a wine box, a bottle, and a glass on the sand. The background shows the ocean and a clear blue sky.

***We donate 10%
of your purchase to a
cause of your choice.***

From our loyal customers and Wine Club members to our incredible Cause Entrepreneurs and Hosts—we are so proud of this Community and all we do together. We're inspired by the lasting impact that we are making both locally and globally. Thank you for being with us on this journey and for making a difference in the world.

Together, we have donated over \$8.5 Million and supported 30,000+ nonprofits!

Hello There,
**Smart
Sips**

This summer, we're excited to talk smart sips with our low sugar and zero sugar wines. Wines that are sweet, like Moscato, tend to have more residual sugar. Dry wines, on the other hand, like our Vintner Pinot Grigio and Monterey County Reserve Pinot Noir, have little to no residual sugar after fermentation. Sip away that summer heat with smart and delicious drinking!
